

B8 · BEGINNER COURSE

THE FENCE

Your desk card — opt-ins, STOP, the never-say list, data care. Keep it where you work.

THE SIX WALLS

1. **LET THE BANKS DECIDE**
   Credit is never your call. Never promise an approval.
2. **NO NUMBERS WITHOUT AUTHORITY**
   No prices or numbers without the Chairman or the desk.
3. **9 TO 7, MONDAY TO SATURDAY**
   Customer work runs 9 AM–7 PM Eastern. No live customer is a practice rep.
4. **TRAINING BEFORE THE FLOOR**
   Learn the units, pass the course test, then work customers solo.
5. **MODELED ON THE BEST — ONLY US**
   We study the best. You represent nobody but this company.
6. **THE BUYER KEEPS HIS AUTONOMY**
   Pressure past trust is a failure. A clear decline is done.

> YOUR FIRST TRACK — SAY IT WORD FOR WORD
>
> **I won't promise you an approval, because that's not mine to promise — the banks decide. What I can promise is that your situation gets put in front of them straight, with nothing dressed up.**
